

Dear Friends and Local Business,

We are asking for your support of our organization, the Nor-Cal Guides and Sportsmen's Association (NCGASA), with a donation or sponsorship for our annual fundraising dinner and auction. Our 2022 dinner will take place on Saturday, Nov. 5, in Yuba City, CA.

NCGASA is committed to engaging in actions that support fish and wildlife issues, habitat and environment, hatchery management and protecting our lake and river fisheries for future generations. NCGASA is also committed to supporting waterfowl and hunting groups in coalitions against anti-hunting or supporting habitat projects.

We engage in EVERY Fish and Game Commission meeting and Wildlife Resources Committees on both fishing and hunting access and opportunities. NCGASA also participates in the California Department of Fish and Wildlife's (CDFW) R3 program which is designed to Recruit, Retain and Reactivate hunters and anglers. We donate ten lifetime fishing and hunting licenses each year to our youth.

NCGASA is the premier, locally based conservation organization that operates through a unique grass roots fundraising structure with membership involvement and more than 20 grass roots volunteer leaders helping steer our mission for more public awareness.

We champion our mission through our Executive Director and full-time lobbyist to ensure there are more fish in our hatcheries with proper hatchery management. Our chapters need your support to bring more fish to your local rivers and ocean.

NCGASA engages state officials and agencies daily to support our members and to express their concerns. Learn more on how you can become involved at NCGASA.org.

HOW CAN YOU HELP?

NCGASA needs donations and or sponsors for prizes at our dinner. Your donation will be added to the live and silent auctions or raffle to raise funds to carry out our mission. Proceeds from the event will help us fight for everyone's fishing and hunting access and opportunities in Northern California. To donate: ncgasa.org/shop
