### Bill information

**Status:** 09/14/2023 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/11/2023)(May be acted upon Jan 2024)

**Summary:** Current law requires the State Public Health Officer to establish rules and regulations establishing minimum standards for organized camps, defined as a site with a program and facilities established for the primary purposes of providing an outdoor group living experience with social, spiritual, educational, or recreational objectives, for 5 days or more during one or more seasons of the year, except as specified. This bill would require the State Department of Social Services to convene and consult with a stakeholder group on children’s camp safety. The bill would require the stakeholder group to be composed of representatives of designated state entities, including, but not limited to, the State Department of Public Health and the State Department of Education, and other stakeholders, such as parent advocate groups, children’s advocates and safety groups, and local parks and health departments. The bill would require the department, following consultation with the stakeholder group, and within 24 months after funds are appropriated, to submit its recommendations in a report to the Legislature, as specified. The bill would require the recommendations to address, among other things, a definition for a children’s camp, child supervision requirements, requirements for camp licensure and regulation, and the government agency or agencies necessary to establish and enforce rules and regulations relating to children’s camps, as specified. The bill would require the report to include costs estimates for implementation of the recommendations included in the report. (Based on 09/01/2023 text)

### Notes

### Bill information

**Status:** 06/14/2023 - Referred to Coms. on N.R. & W. and GOV. & F.

**Summary:** Would enact the California Flood Protection Bond Act of 2024 which, if approved by the voters, would authorize the issuance of bonds in the amount of \$4,500,000,000 pursuant to the State General Obligation Bond Law for flood protection projects, as specified. The bill would provide for the submission of these provisions to the voters at the November 5, 2024, statewide general election. (Based on 04/25/2023 text)

### Bill information

**Status:** 07/14/2023 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was N.R. & W. on 6/7/2023)(May be acted upon Jan 2024)

**Summary:** Current law authorizes the State Water Resources Control Board to investigate all streams, stream systems, lakes, or other bodies of water, take testimony relating to the rights to water or the use of water, and ascertain whether water filed upon or attempted to be appropriated is appropriated under the laws of the state. Current law requires the board to take appropriate actions to prevent waste or the unreasonable use of water. This bill would authorize the board, in conducting specified investigations or proceedings to inspect the property or facilities of a person or entity, as specified. The bill would authorize the board, if consent is denied for an inspection, to obtain an inspection warrant, as specified, or in the event of an emergency affecting public health and safety, to conduct an inspection without consent or a warrant. **Firearms: gun violence restraining orders.**

### Progress bar

Tracking form

**Position**

Monitor

Notes

Bill information

**Status:** 01/25/2024 - Read third time. Passed. Ordered to the Senate. (Ayes 61. Noes 1.) In Senate. Read first time. To Com. on RLS. for assignment.

**Summary:** Current law authorizes a court to issue a gun violence restraining order to prohibit a person from purchasing or possessing a firearm or ammunition for a period of one to 5 years, subject to renewal for additional one- to 5-year periods, if the subject of the petition poses a significant danger of self-harm or harm to another in the near future by having a firearm and the order is necessary to prevent personal injury to the subject of the petition or another. Current law makes it a crime to own or possess a firearm in violation of a gun violence restraining order. If the court finds evidence of an extreme risk of violence, including repeated and egregious instances of specified facts, and those facts existed 12 months prior to a petition being filed, this bill would require a court to issue a gun violence restraining order for 5 years. By expanding the scope of an existing crime, this bill would impose a state-mandated local program. (Based on 01/03/2024 text)

**Status:** 09/01/2023 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/14/2023)(May be acted upon Jan 2024)

**Summary:** The Central Valley Flood Protection Act of 2008 requires the Department of Water Resources to prepare, and the Central Valley Flood Protection Board, a state agency, to adopt, a plan identified as the Central Valley Flood Protection Plan. This bill would require the board, in coordination with the department, to identify priority flood plain restoration or floodway expansion projects where increased flows due to climate change are likely to overwhelm existing flood protection infrastructure, as specified. The bill would require the department and the board to conduct broad stakeholder outreach to identify priority projects and would require that those projects provide at least 2 of 4 specified public benefits. The bill would require the board, upon the appropriation of funds for this purpose, to begin preconstruction activities, including acquisition of land, easements, or rights of way, to expedite the priority projects identified. **Status:** 09/01/2023 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/14/2023)(May be acted upon Jan 2024)

**Summary:** Would require the Ocean Protection Council, on or before January 1, 2026, in coordination and in consultation with various entities, including the State Air Resources Board, to implement a statewide voluntary vessel speed reduction and sustainable shipping program for the California coast in order to reduce air pollution, the risk of fatal vessel strikes on whales, and harmful underwater acoustic impacts. The bill would require the program to expand a certain existing program and would authorize the program to include specified components, including incentives to program participants based on a percentage of distance traveled by a participating vessel at a reduced speed, as provided. The bill would limit application of the program to vessels that are 300 gross tons or greater. The bill would require the council, on or before December 31, 2026, to submit a report to the Legislature regarding the implementation of the program. (Based on 07/13/2023 text)

**Bill information**

**Status:** 09/14/2023 - Withdrawn from Engrossing and Enrolling. Ordered to the Senate. In Senate. Held at Desk.

**Summary:** Would require the State Water Resources Control Board, in consultation with the Department of Fish and Wildlife, to adopt principles and guidelines for diversion and use of water in coastal watersheds, as specified, during times of water shortage for drought preparedness and climate resiliency. The bill would require that the principles and guidelines allow for the

development of locally generated watershed-level plans to support public trust uses, public health and safety, and the human right to water in times of water shortage, among other things. The bill also would require the state board, prior to adopting those principles and guidelines, to allow for public comment and hearing, as provided. The bill would make the implementation of these provisions contingent upon an appropriation of funds by the Legislature for this purpose. (Based on 09/01/2023 text)

Notes

#### Bill information

**Status:** 01/29/2024 - Read third time. Passed. Ordered to the Senate. (Ayes 77. Noes 0.) In Senate. Read first time. To Com. on RLS. for assignment.

**Summary:** Current law provides that the Legislature encourages the State of California and its agencies to consult on a government-to-government basis with federally recognized tribes and to consult with nonfederally recognized tribes and tribal organizations, as appropriate, in order to allow tribal officials the opportunity to provide meaningful and timely input in the development of policies, processes, programs, and projects that have tribal implications. Current law provides that the Legislature encourages the state and its agencies to consult with a federally recognized tribe, at the tribe's request for a government-to-government consultation on a specified agency action, within 60 days of the request. This bill would provide that the Legislature encourages the Natural Resources Agency, and its departments, conservancies, and commissions, to enter into cogovernance and comanagement agreements with federally recognized tribes. The bill would authorize the Secretary of the Natural Resources Agency or a delegate to enter into agreements with federally recognized tribes for the purposes of shared responsibility, decisionmaking, and partnership in resource management and conservation within a tribe's ancestral lands and waters, and would require the secretary or a delegate to be the signatory for the state for these agreements. The bill would authorize the secretary or a delegate, within 90 days of a federally recognized tribe's request, to begin government-to-government negotiations on cogovernance and comanagement agreements with the tribe. **Status:** 03/19/2024 - From committee: Do pass and re-refer to Com. on E.S. & T.M. (Ayes 10. Noes 0.) (March 19). Re-referred to Com. on E.S. & T.M.

**Summary:** Would require the Department of Transportation, in conjunction with the State Water Resources Control Board, to develop a programmatic environmental review process to prevent 6PPD and 6PPD-quinone from entering salmon and steelhead trout bearing surface waters of the state. The bill would require the state board to establish the parameters of the department's programmatic environmental review process, as specified, and, to the extent practical, with the department, consult with the States of Washington and Oregon in the development of the programmatic environmental review process. The bill would require the department's 6PPD and 6PPD-quinone programmatic environmental review process to include specified components, including 5 pilot projects at specified locations to study the effectiveness and cost effectiveness of installing and maintaining bioretention and biofiltration comparatively along department rights-of-way to eliminate the discharge of 6PPD and 6PPD-quinone into surface waters of the state, as specified. The bill would require all information provided by the department to the state board pursuant to these provisions be made publicly available through the state board's stormwater data collection system. **Status:** 02/05/2024 - Referred to Coms. on L. GOV. and W., P., & W.

**Summary:** The Planning and Zoning Law requires the legislative body of a city or county to adopt a comprehensive general plan that includes various elements, including land use and housing elements, as specified. This bill would require a general plan to include a wildlife connectivity element, or related goals, policies, and objectives integrated in other elements, that considers the effect of development within the jurisdiction on fish, wildlife, and habitat connectivity, as specified. The bill would require the wildlife connectivity element to, among other things, identify and analyze connectivity areas, permeability, and natural landscape areas within the jurisdiction, incorporate and analyze specified guidelines and standards, incorporate and analyze relevant information from specified sources, and incorporate and analyze relevant best available science. The bill would require a city or county subject to these provisions to adopt or review the wildlife connectivity element, or related goals, policies, and objectives integrated in other elements, upon the adoption or next revision of one or more elements on or after January 1, 2025. **Status:** 03/20/2024 - From committee: Do pass and re-refer to Com. on W., P., & W. (Ayes 11. Noes 0.) (March 19). Re-referred to Com. on W., P., & W.

**Summary:** By Executive Order No. N-82-20, Governor Gavin Newsom directed the Natural Resources Agency to combat the biodiversity and climate crises by, among other things, establishing the California Biodiversity Collaborative and conserving at least 30% of the state's lands and coastal waters by 2030. Current law provides that it is the goal of the state to conserve at least 30% of California's lands and coastal waters by 2030, known as the 30x30 goal. Current law requires the Natural Resources Agency to prioritize specified actions, including partnering with federal agencies to leverage strategic funding and resources in achieving the 30x30 goal. This bill would also require the agency to prioritize promoting and supporting partnering state agencies and departments, including, but not limited to, the Department of Parks and Recreation, in the acquisition and responsible stewardship of state land. **Bill information**

**Status:** 03/04/2024 - Referred to Coms. on TRANS. and W., P., & W.

**Summary:** Current law, through the year 2025, requires the Department of Transportation to prepare an annual report to the Legislature describing the status of the department's progress in locating, assessing, and remediating barriers to fish passage. Current law requires the department to pursue development of a programmatic environmental review process with appropriate state and federal regulatory agencies for remediating barriers to fish passage that will streamline the permitting process for projects. This bill would extend this annual reporting requirement until the year 2030 and would require the reports to include other

specified information. The bill would impose a deadline of January 1, 2026, for the department to implement the programmatic environmental review process. (Based on 02/14/2024 text)

**Summary:** Current law requires the Department of Fish and Wildlife to establish the watershed enforcement program to facilitate the investigation, enforcement, and prosecution of offenses relating to unlawful water diversions and other violations of the Fish and Game Code associated with cannabis cultivation. Current law also requires the department, in coordination with specified state agencies, to establish a permanent multiagency task force to address the environmental impacts of cannabis cultivation. This bill would require the department to conduct a study to create a framework for cannabis site restoration with the goal of providing guidance for the cleanup, remediation, and restoration of environmental damage caused by cannabis cultivation, and to complete the study by January 1, 2027, as specified. The bill would authorize the department to enter into an agreement with a nongovernmental organization or educational institution for that entity to conduct the study. (Based on 03/21/2024 text)

**Bill information**

**Status:** 01/29/2024 - Read third time. Passed. (Ayes 27. Noes 9.) Ordered to the Assembly. In Assembly. Read first time. Held at Desk.

**Summary:** Would, beginning on July 1, 2025, prohibit a person from keeping or storing a firearm in a residence owned or controlled by that person unless the firearm is stored in a locked box or safe that is listed on the Department of Justice's list of approved firearms safety devices and is properly engaged so as to render it inaccessible by any person other than the owner, as specified. The bill would make a first violation of this offense punishable as an infraction, and a second or subsequent violation punishable as a misdemeanor. The bill would exempt firearms that are permanently inoperable from these provisions. The bill would require the Department of Justice to promptly engage in a public awareness and education campaign to inform residents about these standards for storage of firearms. The bill would additionally prohibit a person convicted under these provisions from owning, purchasing, receiving, or possessing a firearm within one year of the conviction, as specified. The bill would make a violation of this provision punishable as a misdemeanor or felony. (Based on 01/03/2024 text)

**Summary:** Current law requires the Secretary of Food and Agriculture to maintain plant quarantine inspection stations. Current law requires that a sign be conspicuously posted at an inspection station maintained at or near the California border stating that the federal Gun Control Act of 1968 may prohibit persons from bringing firearms into the state that were acquired outside of the state. This bill would require that these inspection station signs also state, among other things, that California law may prohibit a person from bringing a firearm into the state that was acquired outside of the state. Bill information

**Status:** 03/01/2024 - Set for hearing April 2.

**Summary:** Existing law requires the sale or transfer of any firearm to be processed through a licensed firearms dealer. Existing law requires a licensed firearms dealer to record specified information regarding each firearm sale or transfer and to submit that information to the Department of Justice. Existing law requires the Department of Justice to maintain keep and maintain this and other specified information relating to firearms within the state. This bill would require every firearm in the state, except those specifically exempted, to be annually registered with the department. The bill would require the registrant to annually pay a fee, as specified, to be deposited into a special fund that is continuously appropriated to the department for the express purpose of carrying out the administration and enforcement of the firearm registry. The bill would require the department to establish and maintain a system for the annual registration of firearms and would require the department to make registration information available to other law enforcement agencies, as specified. The bill would require the department to make reasonable efforts to notify firearms dealers, firearm owners, and the general public regarding registration requirements. This bill contains other related provisions and other existing laws. (Based on 02/14/2024 text)

Notes

Bill information

**Status:** 02/29/2024 - Referred to Com. on N.R. & W.

**Summary:** Existing law makes it unlawful to enter land for the purpose of discharging a firearm or taking or destroying any mammal or bird, including waterfowl, on that land, without having first obtained written permission from the owner, the owner's agent, or the person in lawful possession of that land, if either of the following applies: (1) the land belongs to, or is occupied by, another person and is either under cultivation or enclosed by a fence, or (2) there are signs forbidding trespass or hunting or both displayed at intervals not less than 3 to the mile along all exterior boundaries and at all roads and trails entering those lands, including land temporarily inundated by water flowing outside the established banks of a waterway. This bill would restrict the application of the provisions regarding land temporarily inundated by water flowing outside the established banks of a waterway to non-navigable waters. The bill would also state that these provisions do not restrict the public's right to use navigable waters for hunting, fishing, or other public purposes under the California Constitution. Bill information

Status: 03/21/2024 - From committee with author's amendments. Read second time and amended. Re-referred to Com. on PUB S.

Summary: This bill would, commencing on January 1, 2026, prohibit a person from possessing certain firearms without the possession of a valid, unexpired firearm safety certificate. A violation of this prohibition would be punishable as an infraction. This bill would require any person moving into the state with a firearm to obtain a firearm safety certificate within 60 days after arriving in the state. The bill would allow a person with an expired certificate a 60-day grace period in which to renew the certificate. The bill would also require the Department of Justice to notify certificate holders in a timely manner when their certificates are expiring. (Based on 03/21/2024 text)

Bill information

Status: 02/29/2024 - Referred to Com. on N.R. & W.

Summary: Would authorize the Secretary of the Natural Resources Agency to accept donations and contributions from public and private entities that are provided for the specific purposes of supporting the maintenance and stewardship of lands owned and managed by the Wildlife Conservation Board, the Department of Parks and Recreation, or any state conservancy. The bill would require these funds to be deposited into the Conservation Stewardship Fund, which this bill would establish. The bill would continuously appropriate the moneys in the fund to the agency for the purposes described above. The bill would require

the secretary to establish a governing body, consisting of specified members, including the Director of Parks and Recreation, to oversee the administration of the fund and the disbursement of the moneys in the fund. (Based on 02/16/2024 text)
