- Any current NCGASA members can nominate another current member or themselves, but remember the board of directors will QUALIFY the nominee by the NCGASA bylaws.
- All VOTING for board members will be done by Nor-Cal Guides Members only. Only members with 12 consecutive months of paid membership can vote via Proxy.
- The Nominee process will start November 12 and continue through the end of November.

These are the 5 positions currently open:

- NCGASA needs **3 Board Members** to serve that are **Professional GUIDES** and **2 Sportsmen or Sportswomen** members
- Guide Board Members must possess a CA guide license/charter license to run for that seat

Note: In order to hold office you must be a current standing member for 12 consecutive months with no fish and game violations in past two years minimum.

Remember to nominate people who will donate and volunteer their time as this is a working board of directors. These volunteer positions require that board members attend monthly meetings and some events. All the nominees must be committed to the organization's goals and should be willing to help out at several of our events.
